

"EVERY LIL STEP I TAKE"

ITS: What do you feel are your greatest career accomplishment?

Bobby: I don't feel I've reached them yet! I'm eating and living healthy and better than ever and I feel better now, than I did when I was 18 and 19 years. I definitely feel that I am a living testament to the theory of dreams becoming a reality.

RELIGION LOVE

ITS: What is your spiritual base as far as religion? Etc

Bobby: I don't follow religious trends however; I am a spiritual man who loves to love and from my understanding God is Love.

ITS: Do you feel it's a God given duty to motivate people?

Bobby: God put me here for that purpose! This is my God given talent; my gift and I use it well. I love performing and music it brings joy to my spirit to know that what I do makes people feel good.

ITS: Will we ever hear a Bobby Brown inspirational/gospel song?

Bobby: Probably so, I mean I sing about love and I wouldn't mind putting some good inspiration music out there.

BORN IN? "Boston"

ITS: Have you ever thought about the fact that you are indirectly a spokes person and mentor for drug rehabilitation?

Bobby: No but, what I will say is that I've been clean

now for 6 years and if that helps people (me being able to openly talk about it) to the point where it brings them out of that place then I'll continue to speak out. That's a real dark and lonely place to be and as a father, an aspirator and a man I would tell anyone that the use of drugs makes you lose sight of who you are.

ITS: Did anyone in the music business influence your commencement to use drugs?

Bobby: No, it was just something I did and got caught up in. You know I'm just so happy to be blessed and during my most trying times my childhood friends that I grew up with, formulated a group with, and made money with, were there for me throughout my troubled times and are still here today.

ITS: Would you be talking about your fellow group members of "New Edition"?

ITS: Yes, after all these years we are able to come back together at the table and talk to one another. I'm just grateful that we were able to go through our thing and come to together again and be friends.

"I'M A BETTER MAN TODAY BECAUSE OF ALL I HAVE OVERCOME"

ITS: How did all of everything come into play with you being a major star, young in your prime and the highlights that everyone seemed to hold on to were the fact that you were married to Mega Super Star Whitney Houston?

Bobby: I'll just put it like this. Whitney and I had good times when we were together however,
