A loving wife, devoted mother, recording artist sensation, talented song writer, and all around savvy business woman Cynthia Loving “Lil Mo” is living a full life with excitement fun and joy! She loves her married life with gospel singer Phillip Bryant and their children “marriage is fun over here; I don’t know about how ya’ll do it over there, shoot”. Mo exclaims’ I come from a loving family and all of what I do is possible because of our unity and closeness.

Overcoming many trials and tribulations after her 1999 appearance to the world as a protégé of label mate Missy Elliot, her contributions for various artists Next, Blackstreet, Bow Wow, and Ja Rule have made big impacts on these artist songs, being acclaimed the voice that broke fabulous into the industry in 2003 on one of the biggest rap and mainstream hit “Can’t Let You Go”. Since then she released her album Pain & Paper in 2007 off her own independent label “Honey Child Entertainment”, she has since then been on a hiatus’ over the last three years working on solidifying her future, family, and entities.

Putting behind her a divorce, and previous fall outs with Ja Rule and Irv Gotti, Lil Mo has nothing but Love to give and share. “People don’t realize how much of a toll each thing has on not only you but your family, my children and the
